OUR FOUNDER'S PERCEPTION

**Bhai Sahib Bhai
Narain Singh Ji**

Mata Ram Kaur Ji

**Padma Shri Bibi
Harparkash Kaur Ji**

It is often said that status and position of women in society is the best way to understand a civilization, its progress and its shortcomings. India was no exception to the miserable state of women. It was the time, when some men of exceptional vision and courage took initiative to change the status of women in India.

On May 29, 1909, Bhai Sahib Bhai Narain Singh Ji set up a school in the backyard of his house under the dense shade of a mulberry tree. The school started with four girls whose first students were Bibi Harprakash Kaur, Bibi Bhan Kaur, Bibi Sodh Kaur and Bibi Bhag Kaur. Bhai Sahib Bhai Narain Singh Ji formed a trust in 1934 and bequeathed all his land and property to that trust. The name of the trust was Sri Guru Hargobind Ujagar Hari Trust.

Bibi Harparkash Kaur Ji took over reigns of Trust on August 21, 1944 after the demise of her parents. The Khalsa College came into existence in 1950, after six years of death of Bhai Sahib Bhai Narain Singh Ji. Bibi Ram Kaur Ji also passed away on 19th August 1952. After her, Bibi Harprakash Kaur took charge of the institutions. In 1953, thanks to her efforts, J.T.B. classes were started. In 1955, the government approved B.Ed. The establishment of such vast and high-level institutions by Bibi Ji was nothing less than a miracle. In recognition of his special services, the Government of India conferred on her the title of 'Padma Shri'.

GHG Harparkash College of Education for Women commenced in 1955. Shri Hargobind Public School affiliated to CBSE came into existence in 1976. Sikh Girls High School has also become a senior secondary school in 2004. The establishment of the GHG Institute of Law for Women in 2006 was another milestone maintained by the management of this institution. Launched in 1909 with 4 students, this Sidhwan Institute is today educating around 3000 students in the form of five institutes. The Law institute fraternity tries to put in its best efforts to realize its mission of value-based job-oriented education.

With the changing times, now the students have to visit courts as part of curriculum and various other law related activities are performed by them in which all stakeholders participate. With dynamic environment, our Institute has been converted into coeducational Institute from April 2022.

FROM THE PRESIDENT'S DESK

Crest of Trust

It is our pleasure to welcome all 'Freshers' here into the ever growing fraternity of the G.H.G. Institute of Law, Sidhwan Khurd. Congratulations at your choice of being inducted as a proud member of this family consisting of 'Sidhwan-Khurd Group of Educational Institutions', which has for over a century espoused the cause of women's education and empowerment in Punjab. Over the years this family has not only contributed to national growth of talent but also delivered globally, some of the most sophisticated and accomplished young ladies, groomed in traditional values of our culture.

It bears testimony to the commitment and dedication of our faculty and Principal that inspite of being the youngest sibling of our centenarian group of educational institutions, this institute has earned an enviable reputation through its commitment to imparting professional academic excellence (both theoretical and practical) besides emphasizing exposure to extra curricular activities for attainment of physical fitness, stamina and all round balanced personality development. No wonder, year after year our students have not only found places in the top ten positions of the Punjab University but also fared brilliantly in the Judicial Services.

We are essentially a Charitable Group of Institutions with no profit motive, managed by a Trust comprising of trustees with no personal stake rendering selfless and gratuitous service to our community. It shall be our endeavour that you not only thoroughly enjoy your academic experience in this Institute, but always carry pleasant and nostalgic memories of your Alma Mater's idyllic, pollution-free and salubrious surroundings coupled with its modern facilities and amenities.

Believing in the tenet of 'rest is rust', our Management and team of professional faculty is constantly engaged in further improving the existing infrastructure, acquiring new aids to modern teaching methods, and exposing you all to a higher level of legal luminaries and jurists as guest lecturers as part of our overall effort to enrich your academic experience at G.H.G. Institute of Law. We have expanded our institute to accommodate male students from the session 2022-23 to tailor our teaching experience more in line with the actual working conditions that our students will subsequently be operating in. With Waheguru's grace we also hope to introduce the LLM course from the forth coming session onwards, for benefit of those students who wish to obtain higher academic qualification in the present competitive employment market.

May Waheguru bless you all with a bright future that makes you, your parents, alma mater and society, proud of your achievements.
